

Title: Inception Workshop for the Project Titled Improving Public Health by Solar-Powered Water Sanitation Systems in Ethiopia in Collaboration with UNIDO

On Wednesday the 20th of June, Mr. Akira Uchida, Deputy Chief of Mission of the Embassy of Japan in Ethiopia attended an Inception Workshop for the project titled “Improving Public Health by Solar-Powered Water Sanitation Systems in Ethiopia”. The project is being supported by the Government of Japan. The objective of the project is to provide clean and safe water supply systems through the transfer of technology. Dr. Negash Wakshaw of the Ministry of Water, Irrigation & Electricity and Mr. Takeshi Nagasawa, Senior Programme Management Expert from UNIDO, also attended the Workshop.

Speech by Mr. Uchida, DCM of Embassy of Japan

Speech by Dr. Negash, State Minister of Water, Irrigation & Electricity
