

Launching of Japanese Language / Culture Course at Addis Ababa University

On October 12th, a course on the Japanese Language and Japanese culture was launched at Addis Ababa University with the support of Kyoto University in Japan. The course is open to the public, and participants from various backgrounds attended the opening ceremony. Ambassador Matsunaga commended the participants' enthusiasm and wished them great success. We sincerely hope that the course will help to promote Japanese language education in Ethiopia, and lead to broader acceptance and deeper understanding of Japanese culture in the country.
