

Handover Ceremony of Medical Facilities and Equipment in Amhara Region

On February 26th, H.E. Mr. Daisuke Matsunaga, Ambassador of Japan in Ethiopia, attended the Handover Ceremony for Medical Facilities at the Minzro Health Center for Maternal and Newborn Survival (MaNS) Project in the Amhara Regional State through World Vision Japan. This three-year project aims to improve the health of pregnant women and newborns in the targeted area. The total amount of assistance is approximately USD1.75 Million.

Dr. Abebaw, Head of the Amhara Regional Health Bureau; Dr. Tegae, Deputy Head of Amhara Regional Finance and Economic Cooperation Bureau; Mr. Edward Brown, National Director for World Vision Ethiopia and Mr. Ayumu Osawa, Programme Coordinator for World Vision Japan also attended the Ceremony.
