

Signing Ceremony for “Silencing the Guns in Africa through Investing in Youth Education”

A project agreement signing ceremony for “Silencing the Guns in Africa through Investing in Youth Education” was held on 26 February 2020. This project agreement amounts to over USD 450,000 provided to UNESCO-IICBA to promote peace education in Ethiopia and in the rest of Africa. The project targets teachers involved in the education of young people in Africa and they are expected to inspire young people with values and attitudes to prevent violent extremism. This assistance is also part of Japan’s New Approach for Peace and Stability in Africa (NAPSA).

At the signing ceremony, Ambassador Matsunaga said that he hopes that this project will further strengthen peace education and conflict prevention in Africa.
