

Ambassador Ito Holds Meeting with the Sasakawa Africa Association in Ethiopia

On 25 January 2021, Ambassador Ito Takako visited the Sasakawa Africa Association in Ethiopia and met with Dr. Mel Oluch, Regional Director, and Dr. Fentahun Mengistu, Country Director, as well as other members of the association.

During the meeting, Ambassador Ito and members of Sasakawa Africa Association exchanged opinions about the association's activities in Ethiopia, which include the improvement of productivity for the agriculture in Africa and diversification of crops.

The Sasakawa Africa Association is an International Japanese NGO that has supported agriculture in Africa for over 30 years.
