

## Inauguration Ceremony for the Construction of School Blocks for Awash Primary School in Awash Fentale Woreda, Afar Regional State

On 10 March 2021, an inauguration ceremony was held for the Construction of School Blocks for Awash Primary School in Awash Fentale Woreda, Afar Regional State.

In total, USD 89,280 was provided by Japan's Grant Assistance for Grassroots Human Security Projects (GGP) to support the construction of two classroom blocks containing eight classrooms with furniture.

This project enables 400 students to learn at the same time, and a total of 800 students to learn per day, in the new classrooms as the school has adopted a swapping system, with some students attending school in the morning and others in the afternoon.
