

## **Ambassador Ito Holds Meeting with Minister of Science and Higher Education in Ethiopia**

On 29 June 2021, Ambassador Ito Takako met with Dr. Samuel Urkato, Minister of Science and Higher Education.

During the meeting, Dr. Samuel expressed his profound appreciation for Japan's assistance to Ethiopia through ODA, as well as Japan's assistance for peace education through UNESCO-IICBA, while Ambassador Ito expressed her hope that Japan's support will help establish peace and prosperity in Ethiopia and surrounding countries.

They exchanged views on further development cooperation and the education environment in Ethiopia. Ambassador Ito confirmed her commitment to continue to maintain good relations between Japan and the Ministry of Science and Higher Education.
