

## Online Photo Contest Award Ceremony

On 16 July 2021, the Embassy of Japan organized an award ceremony and a reception for the winners of “Online Photo Contest” to promote Tokyo 2020 Olympic & Paralympic Games with the cooperation of Fujifilm Ethiopia and Haile Resort Hotels.

This contest had two categories to apply: “Japan and I” and “Sports and I”. 95 athletics fans and friends of Japan from across Ethiopia submitted photos for the contest.

In the award ceremony, Ambassador Ito Takako stated that there were many outstanding photos, and to select only a few of them to award with prizes was no easy task, but the judges were confident that they had successfully chosen the photos that depict positive messages and exhibit excellent photographic skills.
