

## **Inauguration Ceremony of the Project for Constructing a Multi-purpose Training and Education Center, Jinka, South Omo Zone, SNNPRs**

On 26 October 2022, an inauguration ceremony was held for the project for Constructing a Multi-purpose Training and Education Center, Jinka, South Omo Zone, SNNPRs.

In total, USD 119,095 was provided by Japan's Grant Assistance for Grassroots Human Security Projects (GGP) to support the construction of one multi-purpose training and education center containing three training and educational rooms, one kitchen and one library. This project will enable local people to have access to training and learning in agriculture, cook and making traditional crafts, leading to a strengthening of the community in Jinka town.

Mr. Takahashi stated a congratulatory remark and thanked Kyoto University which has worked for a long time to address various challenges in the South Omo Zone, on behalf of Ambassador Ito. Dr. Kusse, President of Jinka University, Dr. Tadesse, Vice Administer of South Omo Zone, expressed their appreciation for Japan's support.
