

Inauguration Ceremony of “the Project for Expansion of Kololo Primary School in Kololo Kebele, Tembaro Woreda, Kembata-Tembaro Zone, SNNPR”

On 31 January 2023, an inauguration ceremony was held for “the Project for Expansion of Kololo Primary School in Kololo Kebele, Tembaro Woreda, Kembata-Tembaro Zone, SNNPR” at Kololo Primary school.

In total, about USD 84,000 was provided by Japan’s Grant Assistance for Grassroots Human Security Projects (GGP) to support for one furnished school building with six classrooms, 144 desks and chairs for students and 6 desks and chairs for teachers. This project will enable 350 existing students to get the education access in a school environment which satisfies the government standard of classroom to students’ ratio, and also it will allow 150 additional students to enroll.

Ambassador ITO stated her hope that this project will improve the quality of education and provide a bright future for the children of the Kololo Primary School. Mr. Yenebeb Getachew, Country Director of The Tesfa Foundation and Mr. Melese, Administration Head of Kembata-Tembaro Zone expressed their appreciation for Japan’s support.
