

JAPANESE FOREIGN MINISTER'S VISIT TO THE TICAD HUMAN RESOURCE DEVELOPMENT CENTER FOR BUSINESS AND INDUSTRY

On 3 August 2023, H.E. HAYASHI Yoshimasa, Minister of Foreign Affairs of Japan, visited the TICAD Human Resource Development Center for Business and Industry, which is under construction by Japan's grant aid program "The Project for the Construction of TICAD Human Resource Development Center for Business and Industry".

H.E. Mr. Melaku Alebel, Minister of Industry, welcomed Minister Hayashi's visit to the center and stated that Kaizen is making a significant contribution to improving productivity in Ethiopia. Minister Hayashi expressed his hope that the Center will become the hub for developing human resources who lead the future of business and industry, not only in Ethiopia but also in the African continent as a whole.

The center is expected to be used as a facility to accept trainees not only from Ethiopia but also from all over Africa to learn Kaizen, and will be able to accept 50,000 trainees per year.
