

Ceremony of Laying a Cornerstone for Project for Construction of a Shelter for Victims of Gender-based Violence in Addis Ababa

On 16 November 2023, the ceremony of laying the cornerstone was held at the premise of Association for Women’s Sanctuary and Development (AWSAD) for the project for “Construction of a Shelter for Victims of Gender-based Violence in Addis Ababa”.

The total amount of the project is up to approximately USD 145,000, and this project will support the construction of one dormitory building and one kitchen building for GBV survivors. This project will enable 100 women and children to stay in a proper environment and will contribute to their social independence for the future.

In the ceremony, a cornerstone for this project was laid, and Ambassador ITO stated in her remarks that she hoped this project will give a bright hope for GBV survivors to start a new life in the future.
