

## The 2024 ODA Press Tour

On 18 and 19 November, the Embassy of Japan conducted a press tour for local media, with cooperation of JICA. 10 journalists and cameramen from five newspapers and television companies participated in the tour.

During the tour, the media visited the Selam Children's Village, supported by the Grant Assistance for Grassroots Human Security, TICAD Human Resource Development Center, supported by Grant Aid and Technical Cooperation, and the Yeka Terara Primary School where KUTSUKAKE Kenya is currently dispatched as a JOCV. They also visited the event on 70 years of Japan's official Development Assistance.
